BAPTIST REVIVAL.

Two were received by letter at the service last night, and there are many more who seem to be interested. The sermon on "The Meekness of Christ" was received with much interest and evidently did much good.

The attendance still holds up, and this church will be much revived by the earnest, and forceful preaching of the past two weeks. The harvest is ripe, let every member of the church lend a helping hand.
 Services tonight at 7:30.

CITY LIGHTING CONTRACT

To Go to the Mayville Public Service Company—City Council Last Night Voted 8 to 2 for Home Concern—To Ratify Contract Monday Night.

The City Council met behind closed doors last night as a committee of the whole to consider the city lighting proposition.

At times things were rather lurid but when the smoke of battle cleared away it was found that on a vote there were eight votes for the proposition submitted by the Mayville Public Service Company; two voting nay and two not voting.

This is a sweeping victory for the Mayville Public Service Company, which should receive the contract, all things being equal.

The proposition will be ratified by the City Council at next Monday night's regular meeting.
